NOTICE: COVID 19 (Phase 3 Swimming Classes Transition)

Dear students, parents and guardians,

As announced by the Multi-Ministry Taskforce, Singapore has embarked on a phase 3 approach to conduct sports activities safely starting 28 December 2020. For more information (<https://www.gov.sg/article/post-circuit-breaker-when-can-we-move-on-to-phases-2-and-3>).

In Phase 3, We will continue working with the management of Clubs to ensure proper pool safety and enhanced pool cleaning protocol in accordance with standards set by the Ministry of Health, SportsSG and Singapore swimming Association.

What will we expect in Phase 3?

1. Increased classes ratio adjustments of up to 8 students per class:

No.	Pool Venue	Class Sizes	Remarks
1)	Singapore Polytechnic Graduates' Guild (SPGG)	1 Coach : 5 Students X 5 classes	Due to small pool capacity
2)	HomeTeamNS (Balestier)	1 Coach : 8 Students X 2 classes	Due to small pool capacity
3)	HomeTeamNS (Batok)	1 Coach : 8 Students X 4 classes	Large pool capacity
4)	HomeTeamNS (Khatib)	1 Coach : 8 Students X 4 classes	Large pool capacity
5)	Warren Golf and Country Club	1 Coach : 8 Students X 5 classes	Large pool capacity with capability to run 2 Zones

2. Safe measures during the new-normal swimming classes:

- Ensure to follow all club's check in and check out safe entry protocol with valid trace together app.
- Taking and recording of temperature of all visitors who enter the Club/ Pool will be enforced by facilities owner. Those with fever (>38 degrees) will not be allowed to enter the Club/ Pool premises.
- Class size is limited to **8 pax max** per class with 3m spacing between classes. We will be using aqua mats/ cones/ lane dividers to demarcate class areas and ensure we follow the safe distancing protocol.
- All classes duration will be set at 50mins which includes a 10mins staggering transition between classes. (Except for classes at Singapore Polytechnic Graduate Guild as class sizes will be capped at smaller ratio @ 45mins class duration).
- We will commence dryland workout during inclement weather. This will be implemented if adequate spaces are permitted to allow dry land sessions with 2M spacing between classes.
- There shall be no refund or replacement for lessons affected by inclement weather.
- Be **ON TIME** for Class. Classes will end on time and students will return to respective dismissal point.
- There will be segregated entry and exit at the Clubs/ Pool, and waiting areas will be space-limited.
- 1 parent/ caretaker to one child is allowed at the waiting area.
- Refrain from using the shower facilities as there are limited shower cubicles available during this period.
- Parents are not allowed to enter pool premises where there are entry gantries in operation. Have your towel ready and wipe dry after class and go. The teachers will bring the swimmers to the dismissal points.

Thank you for your support and continuing swimming with Torpedo. May everyone stay safe and healthy in Phase 3.
