- b. Display notices and posters prominently, detailing prevention and control measures (e.g. avoid shaking hands, wipe down gym equipment, wash hands with soap, practice good personal hygiene). Refer to <https://www.moh.gov/covid-19/resources> for the latest notices and posters.
- c. Advise participants to practice social responsibility, including monitoring their own health condition and avoiding attending the event if unwell.

- e. Organisers are encouraged to promote the use of the Govtech-produced app [\[https://www.tracetgether.gov.sg\]](https://www.tracetgether.gov.sg).
- f. Conduct frequent disinfection of common spaces. Increase frequency of cleaning for surfaces and interactive components within the venue (e.g smart kiosks, turnstiles). Place hand sanitisers near frequently touched surfaces like door handles.
